

FaceMark – Guide for Coaches

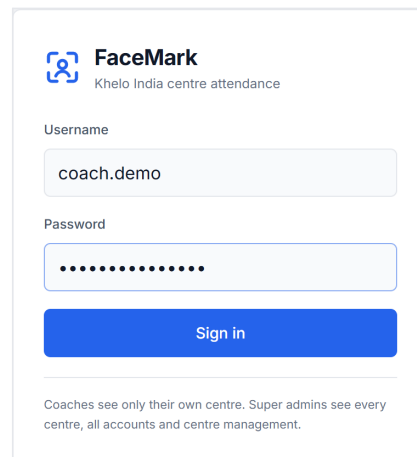

Register your athletes once. Then take attendance with the camera each session.

FIRST TIME · SET UP YOUR CENTRE

1 Sign in

Open the FaceMark link. Enter your username and password.

You see only your own centre.

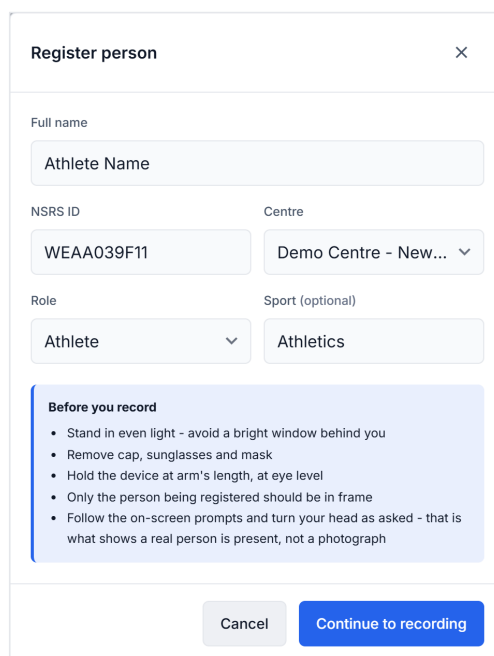

The sign-in screen for FaceMark. It features the FaceMark logo (a blue square with a white face icon) and the text "FaceMark" and "Khelo India centre attendance". Below this are two input fields: "Username" with the text "coach.demo" and "Password" with a masked password ".....". A blue "Sign in" button is positioned below the password field. At the bottom, a small note states: "Coaches see only their own centre. Super admins see every centre, all accounts and centre management."

2 Go to Students → Register Student

Fill in name, **NSRS ID** and sport.

Tap **Continue to recording**.

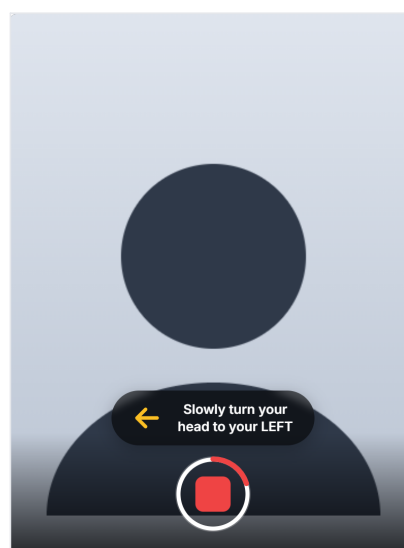

The "Register person" screen. It has a title bar "Register person" with a close button (X). The form contains several fields: "Full name" with a placeholder "Athlete Name"; "NSRS ID" with the value "WEAA039F11"; "Centre" with a dropdown menu showing "Demo Centre - New..."; "Role" with a dropdown menu showing "Athlete"; and "Sport (optional)" with the value "Athletics". Below these fields is a blue box titled "Before you record" containing a list of instructions: "Stand in even light - avoid a bright window behind you", "Remove cap, sunglasses and mask", "Hold the device at arm's length, at eye level", "Only the person being registered should be in frame", and "Follow the on-screen prompts and turn your head as asked - that is what shows a real person is present, not a photograph". At the bottom are two buttons: "Cancel" and "Continue to recording".

3 Athlete turns their head

Follow each arrow: **left, right, up, down**.

Each prompt waits until it is done. It finishes by itself.

Repeat steps 2–3 for every athlete.

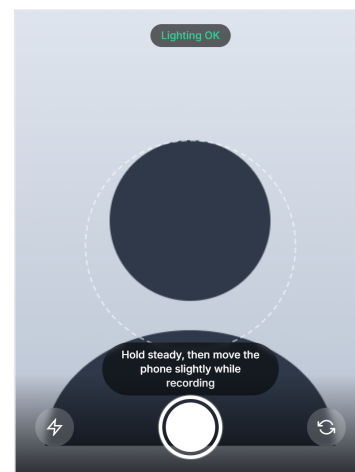

EVERY SESSION · TAKE ATTENDANCE

4 Open Mark Attendance and record

Wait for **Lighting OK**.

Tap the white button. Record **3 seconds**, moving the phone a little.

5 Tap Take Attendance

Everyone recognised is marked present.

Tips

- Even light. No bright window behind the group.
- No caps, sunglasses or masks.
- Phone at eye level, arm's length. Move closer for a big group.
- "Could not confirm this was live" → record again and move the phone a little. A held-up photo will not work.
- Marked once a day – recording twice is safe.

Demo account. Names and NSRS IDs shown are placeholders.
